HEXONEX Crack + Free [32|64bit]

Game Info HEXONEX is a hex-based puzzle game that features gameplay you can enjoy in short sessions or long play sessions. The game combines hexagonal tiles with increasingly difficult gameplay that you can enjoy anytime. You will be given a tile palette and a board palette and can match the tiles together in various ways. You will be challenged to slide tiles across the board in such a way as to only match colors, while preventing you from matching a different color as well. The tiles can only move opposite any adjacent tiles, and you lose a point for every move you make. You have the choice of one of three ways of solving puzzles. Select the Dynamic-Puzzle mode to be challenged with increasing complexity. For those who enjoy the monotonous challenge of a traditional puzzle game, you can select the Standard-Puzzle mode. Lastly, you can challenge yourself by playing in the Survival-Mode and see how far you can get without getting a time-out. You can also play your own custom music tracks in the Music-Mode.
