ABCD - Any Body Can Dance Movie 1 1080p

abcd is a fun dance film that hits all the right notes. prabhu deva is back at it again with a great story and action packed dance numbers. kay kay menon who plays vishnu's manager is great. the film is great and is a must watch for the dancing lovers. it is definitely a fun and entertaining movie. but it also has some flaws, so be careful. abcd is a well-made and entertaining film, which has a couple of flaws. first, the film is very similar to the step up franchise. there is a good amount of references to the franchise throughout the film, from the costumes to

the choreography. though, while the film is set in india, it does not look like the actual indian culture. the choreography seems a little too imitation, and this makes it hard to connect with the audience.

second, i feel that the film focused too much on the emotions, as there wasn't much action or comedy. another flaw was that the film took an unnecessary long to get to the main events. though, the film did have fun, energy, and a good amount of thrills. the title, any body can dance (abcd) is a pun in that it can be translated into any body can dance, but it can also mean anybody can dance. unfortunately, as you saw, i am going to be nit-picky and say that the title is a little too literal. still, the film is a good watch for those who like bollywood, even though it is a very similar storyline to the step up franchise.

finally, i have to credit the actors, as they were able to carry the film. however, i think the biggest reason why this film had a huge success was the choreography, which was absolutely stunning. remo dsouza, the film's director, did a fantastic job creating a new genre of bollywood movies, to the film's favor. this is one of the better bollywood dance movies, as it has an awesome choreography, with a good amount of thrills and a great storyline. 5ec8ef588b
