I'm getting bored with my WordPress Theme, so I'm looking for something new. I'll keep the traffic flowing with a get that's only a couple of days old. Otherwise, I'll just keep re-posting the same thing over and over. Posting as much as I would like, but only posting the same things over and over. In 2 years from now, I'll be able to bitch about how many millions of visitors I was able to churn out for Blogger. (Not that I'll need a platform to do this. I'll do this all on my own. And probably steal some parts from other sites. ;) ) I wouldn't be surprised if at that point, Blogger will be obsolete. As many others have said, Blogger has become the feed reader for many. I can see them eventually close down the service, or become the free service you can sign up for. It's way too early to be throwing stones, but if it doesn't die on its own, expect the laws of the land to change. No comments: About Me I was born and raised in Canada, and have been in the USA since 1994. My career as a web developer began in 1997. I
